DIRECTIONS FOR USE

Mask preparation

1. Open the packet and place the folded BIOCELLULOSE MASK into a shallow dish.
2. Pour 20 ml of EMULSION CONCENTREE diluted to 5 V onto the mask (or 12 V for sensitive skin types) and soak it in with your fingertips.
3. Pour 20 ml of CELL-ENERGY SERUM into the measuring cup.

Mask application

4. Apply CELL-ENERGY SERUM (½ dose) to the face only, using a brush.
5. Take the BIOCELLULOSE MASK. Remove the first protective layer and apply the biocellulose sheet to the face.
6. Remove the second protective layer and add more CELL-ENERGY SERUM (¼ dose) to the mask with a brush.
7. On the décolleté and neck: perform lift and roll, kneading techniques first, then apply the rest of CELL-ENERGY SERUM, using a brush.
8. Leave the BIOCELLULOSE MASK on for 10 minutes. Use gentle pressure with the fingers to help absorb the product and, if necessary, wipe off any surplus with a tissue. Do not rinse
