▶ high molecular hyaluronic acid, beech bud peptides

KEYWORDS TO SUCCESSFUL SELLING

- Highly effective patented vitamin C cream : Time defying vitamin C*
- Face - neck - décolleté - hands
- Regulates the melanin synthesis process: corrects and prevents dark spots
- Action on discoloration, thus reducing pigment contrasts. Results:
A lighter, brighter and more even complexion
 - Skin radiance: +98%**
 - Pigment contrasts: -97%**
- Fewer and lighter discolorations
 - Number of dark spots : -33%**
- The Yon-Ka « plus »: a hydrating and anti-aging cream as well
- Paraben free
- Tolerance tested by dermatologists

**Our Chronostable vitamin C is much more stable than « standard » Vitamin C over time at different pH values and is better absorbed and distributed in the tissues, thus providing optimal results.*

***Best results obtained on clinical test over a panel of 30 women.*

DIRECTIONS FOR USE

PROFESSIONAL USE

Massage

- Mix $\frac{3}{4}$ CREME LUMIERE + $\frac{1}{4}$ PHYTO 58. Apply to the face, neck and décolleté. Then perform the massage.

Base cream

- Apply CREME LUMIERE on the neck and face.
Apply on top Yon-ka sun protection : SPF 25 or SPF 50
- Can be applied on hands also.

HOME USE

- **In the morning and evening**, after cleansing and spraying on some LOTION YON-KA, apply CREME LUMIERE to the face, neck and décolleté. **In the morning**, apply suitable Yon-Ka sun protection: SPF 25 or SPF 50.
This cream can also be used on any area concerned with dark spots.

The ESSENTIAL WHITE program: To improve your complexion's evenness and reduce discoloration, use SOLUTION CLARTE, CREME LUMIERE and CORRECTEUR CIBLE combined together. Avoid sun exposure throughout the duration of the program.

Remember

- A lighter and more even complexion cream with hydrating and anti-aging actions
- Time defying vitamin C
