

P. 500 g

EXCLUSIVE PROFESSIONAL USE

GOMMAGE SUCRE PRO

EXFOLIATING, NOURISHING
GRADE 2

No perfume - No essential oils

ESSENTIAL ACTIONS AND INGREDIENTS

Exfoliating

- ▶ cane sugar and white sugar

Nourishing - softening

- ▶ sunflower oil

KEYNOTES

- Perfectly eliminates dead skin cells and impurities
- Transforming texture: ultra-gourmet and turns into a milk when in contact with water
- Easy to rinse off
- Nourishes the skin
- Smooth, soft and velvety skin
- Leave a veil of softness, does not dry out skin
- Possible scents: Can adapt to personal preferences thanks to our 4 aromatic concentrates
- Results*:
 - Soft skin: **100%**
 - Nourished skin: **100%**
 - Smooth skin: **100%**

DIRECTIONS FOR USE

TREATMENT EXPERTISE

- Prepare a small dish with warm water.
- Prepare the scrub: GOMMAGE SUCRE PRO (80 g or 8 tablespoons) + AROMATIC CONCENTRATE of your choice (2 doses: 0,75 ml maximum). Mix using a spatula.
- Scrub zone by zone.
- Apply the scrub using circular movements and adapt pressure according to skin sensitivity, tissue thickness and vascularisation.
- Insist on hyperkeratinized areas.
- Emulsify with water in the same zone using similar circular movements.
- Finish with a final effleurage.

Take the customer to the shower and ask her to rinse off without using any soap.

Important

- Avoid using GOMMAGE SUCRE PRO on the same day as waxing or UV exposure.
- Also avoid using on highly sensitive skin and any other irritated skin such as cuts or scrapes

Number of applications for a 500 g jar
6 scrubs (80 g of exfoliant per application)

View:

- GOMMAGE DOUCEUR
(GOMMAGE SUCRE PRO - GOMMAGE GOURMAND Treatment - same techniques as in this video)
