- |                                 |                                     |
|---------------------------------|-------------------------------------|
| <b>Hydrating - glowing skin</b> | ▶ <b>aloe vera, algae (diatoms)</b> |
| <b>Soothing</b>                 | ▶ <b>blackcurrant, pineapple</b>    |
| Anti-inflammatory               | ▶ pilewort                          |
| Antioxidant                     | ▶ green tea                         |

## KEYNOTES

- Exclusive professional use
- Peel-off mask
- Refreshing feeling
- Luxurious mask with fruity scent (blackcurrant, pineapple)
- Hydrates, softens and tonifies
- Glowing skin
- Preservative free, paraben free

## DIRECTIONS FOR USE

### Mask alone

- Place the powder in a bowl and add about 30 ml of fresh water.
- Mix vigorously with a spatula to get a smooth and homogeneous texture.
- Apply the mask with a spatula to the neck, the face, the lips contour and the eyelids. Leave on for 8 to 15 min.
- Wet the edges of the mask with a disposable cloth wipe.
- Remove in one piece starting from the base of the neck.
- Finish rinsing off with a disposable cloth wipe or a small towel.

### Personalized mask

- **DOUBLE HYDRATING MASK:** prepare MASQUE MODELANT - Then, add a tea spoon of HYDRATANT 60 or MASQUE N°1. Apply and remove the mask in the same way as mentioned above.
  - in HYDRALESSENCE and HYDRASUN FACIALS
- **MASQUE MODELANT + PAMPLEMOUSSE:** same preparation, application and removal as mentioned above.
  - in ECLAT COCOON FACIAL

### Remember

- Professional peel off mask
- Hydrating and tonifying mask
- Luxurious mask
