KEYNOTES

- Exclusive professional use
- Peel-off mask
- Refreshing feeling
- Luxurious mask with fruity scent (blackcurrant, pineapple)
- Hydrates, softens and tonifies
- Glowing skin
- Preservative free, paraben free

DIRECTIONS FOR USE

Mask alone

- Place the powder in a bowl and add about 60 ml of lukewarm water at 27° approximately.
- Mix vigorously with a spatula to get a smooth and homogeneous texture.
- Apply the mask with a spatula to the neck and face. Leave on for 10 to 15 min.
- Wet the edges of the mask with a disposable cloth wipe.
- Remove in one piece starting from the base of the neck.
- Finish rinsing off with a disposable cloth wipe or a small towel.

Note

- *May be applied on lips and eyelids.*

Personalized mask

- **DOUBLE HYDRATING MASK:** prepare MASQUE MODELANT - Then, add a tea spoon of HYDRATANT 60 or MASQUE N°1. Apply and remove the mask in the same way as mentioned above.
• *in HYDRALESSENCE FACE*
- **MASQUE MODELANT + PAMPLEMOUSSE:** same preparation, application and removal as mentioned above.
• *in ECLAT COCOON facial.*

Note

- *Do not apply on lips and eyelids except with HYDRATANT 60*

Remember

- Professional peel off mask
- Hydrating and tonifying mask
- Luxurious mask
- Freeze-dried fruit extracts (blackcurrant, pineapple)
