DIRECTIONS FOR USE

PROFESSIONAL USE

Massage

- Apply NUTRI + (1/4 to 1 vial) mixed with the appropriate Yon-Ka cream (hazelnut size) to the décolleté, neck and face, then massage.

Base cream

- For a customized skin care, add few drops of NUTRI + to complete the cream according to the client's need.
- Apply to the neck and face.

HOME USE

- In the morning and/or evening, mix 1 to 2 pumps of NUTRI + with your normal cream and apply to the face and neck.
- During one month and whenever the client feels the need.

The Yon-Ka « Plus »

- Ideal for regenerating sun-damaged skin.
- Can be used alone in the evening.

Remember
