- |   |   |
|---|---|
| <b>Firming - lift effect:</b><br>stimulates the production of collagen and glycoaminoglycan | ▶ <b>hibiscus peptides</b>  |
| <b>Regeneratin - firming</b>  | ▶ <b>horsetail</b> rich in silicon,<br><b>wild rose</b> rich in vitamin C |
| Restructuring   | ▶ soy peptides  |
| Hydrating - smoothing   | ▶ marine collagen,<br>hyaluronic acid                                     |

## KEYWORDS TO SUCCESSFUL SELLING

- A «personal trainer » for the skin in order to easily defend itself against aging
- A spectacular smoothing and firming effect
- Visibly younger looking skin
- Rich in hibiscus peptides
- Light texture, penetrates quickly
- Serum and cream work in synergy
- Practical and hygienic dispenser bottle
- Paraben free
- Tolerance tested by dermatologists

## DIRECTIONS FOR USE

### PROFESSIONAL USE

**Treating base** - Face and neck

- Apply **ADVANCED OPTIMIZER SERUM** then **ADVANCED OPTIMIZER CREME** to the decollete, neck and face.

### HOME USE

**30 day intensive cure**

- Apply **ADVANCED OPTIMIZER SERUM** (2 to 3 pumps) then **ADVANCED OPTIMIZER CREME**, in the morning and evening to the face and neck.

For an optimum result, advise the professional **OPTIMIZER** facial once a week for a month, then once a month as routine treatment.

**Routine care**

- Apply **ADVANCED OPTIMIZER SERUM** (2 to 3 pumps) then **ADVANCED OPTIMIZER CREME**, in the morning or evening to the face and neck.
