DIRECTIONS FOR USE

DO NOT APPLY TO LIPS OR EYELIDS
DO NOT INTRODUCE INTO EYES
PROTECT EYES WITH DAMP COTTON PADS

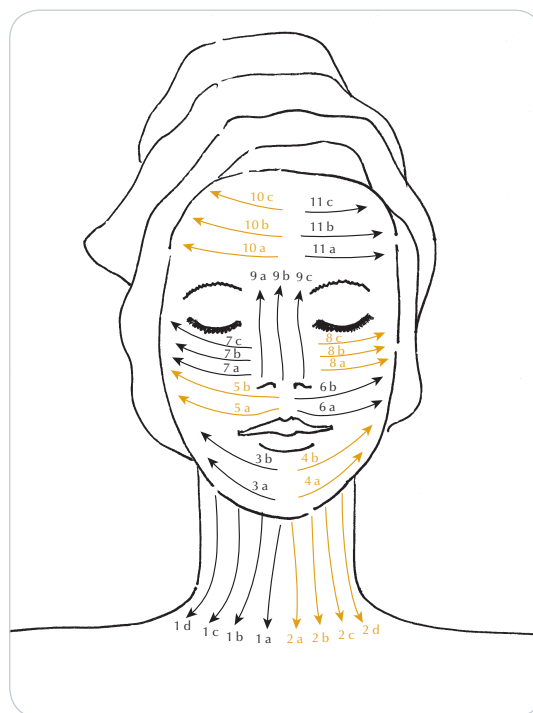

FACE AND NECK APPLICATION

For a brightening effect.

- Apply the peeling (4 to 5 droppers) on the face and neck with Yon-Ka brush by performing effleurage movements for 4 mins.
- No need to rinse, repeat the application and perform the same gestures for 4 mins. Then rinse with cold water preferably

Follow the diagram

- Big effleurages : 1a to 1d, then 2a to 2d, 3a to 3b, 4a to 4b etc.

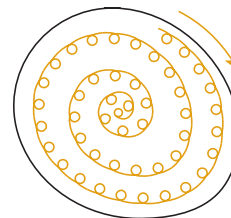

Peeling with Yon-Ka brush

PEELING LUMIERE (cont.)

DIRECTIONS FOR USE

APPLICATION ON DARK SPOTS

- Apply the peeling locally to spots with a thin cotton-tipped swab. Follow the diagram herewith :
 - Perform « swirl » movements from the outside inwards.
 - Treat spot by spot for 4 minutes, by returning to the first one regularly to prevent tingling sensations.
- Rinse with cold water.

Peeling with thin cotton-tipped swab

Normal reactions: light tingling and pinkish color of the epidermis or slight erythema.

CONTRAINDICATIONS

- Irritated skin, redness, cutaneous hypersensitivity
- Dermatological treatment (laser, vitamin A acid...)
- Skin diseases
- Oedemas
- Before waxing or exposure to UV ray or natural sun
- After intense sun/ UV exposure
- After hair bleaching

PRECAUTION OF USE

- Used only as directed. Avoid contact with eyes. If irritation persists, discontinue use and consult a physician. It is recommended that prior to exposure to the sun, users cover areas where AHAs have been applied with sunscreen.
- In case of introduction into eyes, rinse off immediately with saline and see an ophtalmologist
- In case of sudden appearance of redness by spots and intense tingling, rinse thoroughly with water and apply a thick layer of SENSITIVE MASQUE and leave on for 5 minutes

Remember

- Exclusive Yon-Ka product
- Professional exfoliating product
- All ski types except irritated skin
- Glycolic acid
