## GEL AQUA [RE]NEW

SMOOTHES, REFINES  
Wrinkles, visible pores

Biomimetic retinol-like microalgae

99,5 % ingredients of natural origin

### ESSENTIAL ACTIONS AND INGREDIENTS

Anti-wrinkles - Tightens pores - Smooths skin texture	➤ biomimetic retinol-like microalgae from biotechnology
Hydrating - soothing	➤ polysaccharide
Hydrating - Promotes cell renewal	➤ natural sugar derivative (glucono-delta-lactone)
Redensifying	➤ Saponaria pumila plant- based stem cells
Sensory signature	➤ pink peppercorns and geranium E.O.

### KEYNOTES

- Gel mask with 2% retinol-like active ingredient
- Contributes to cell renewal
- Preserves and maintains the skin's structural integrity (collagen, elastin)
- Intense hydration
- Recommended for women and men in all climates
- Suitable for all ages and all skin types, including sensitive skin
- Tolerance tested by dermatologists
- No animal-derived ingredients

*Due to the presence of essential oils, consult a healthcare professional if you are pregnant.*

### DIRECTION FOR USE

Use in combination with the LIPO [RE]NEW OIL in the Retinol-Like [RE]New treatment.

#### Mask preparation

1. Open the sachet and place the folded BIOCELLULOSE MASK into a shallow dish.
2. Pour 20 ml appropriate dilution of d'EMULSION CONCENTREE (5V to 12V) and soak it in with your fingertips.

#### Mask application

3. With a brush, apply 8g (2 nuts) of AQUA [RE]NEW GEL on the face only.
4. Take the BIOCELLULOSE MASK. Wring it out and remove a 1st layer of protection and place it on the face
5. Remove the 2nd protective layer, then, with the brush, re-apply 2g (1 hazelnut) of AQUA [RE]NEW GEL on the BIOCELLULOSE MASK on the face and neck.
6. Leave it for 20 minutes and on the mask, proceed to the hot/cold massage with the crystals.
7. Remove the BIOCELLULOSE MASK with a cold Yon-Ka towel.

#### Remember

- Double mask with the biocellulose mask
- 3 actions in 1 (wrinkles, pores, skin texture)
- "Cryo" effect
- 99.5% ingredient of natural origin
